

T.G.I.Friday's™

T.G.I. Friday's™, the flagship brand of Carlson Restaurants Worldwide, a part of the 30 billion Dollar Carlson Group redefined the concept of casual dining with the opening of its first restaurant in New York in 1965. T.G.I. Friday's™ has since provided a dining experience to patrons worldwide which has become the favourite pastime of millions. In India, we have three outlets in Delhi and one each at Bangalore, Mumbai , Gurgaon and Noida.

The casual feel of T.G.I.Friday's™ is also found in its spirited American décor which celebrates modern classic icons from the 1970s and 1980s. The restaurant's use of brushed metal, rich dark woods, warm wall tones and bold, modern; wall graphics blend together to create a fun and relaxing environment.

Built upon a legacy of a fun experience and fantastic food & drink, T.G.I.Friday's™ restaurants provide an environment where families and individuals alike can have a great experience in 54 countries around the world.

Friday's® patrons have flocked to each new restaurant to sample its now legendary offerings. Guests savor Fridays® Loaded Potato Skins, filled with golden melted cheese and crispy bacon, spinach dip made with zesty Parmesan cheese blended with fresh spinach, artichokes sautéed onions and peppers, world famous Friday's burgers, served thick and juicy on a fresh bun, Jack Daniels® Glazed Ribs and Margaritas Fajitas. Over the years a response to the growing demand for flavorful non-alcoholic beverages led Friday's® restaurants to introduce Smoothies and Flings to the world for the first time.

The concept here is to offer great food and beverages in a fun atmosphere served by friendly people -where family and friends, couples and single alike can discover the fun of dining out. Like everywhere else in the world, in India too, Friday's® family is closely knit by a single goal: to make dining out a unique experience for guests. Fridays® offers an international menu with a spread of delicious vegetarian options Friday's® is already a hot favourite in India owing to its warmth, style flair and inimitable Friday's® brand of fun.

The credo of T.G.I. Friday's™ is to treat each customer as we would an honoured guest at home and is reflected in everything we do. This commitment to superior guest satisfaction is exemplified by 80 million guest visits per year.
